ORGANIZER:

What's ACT NOW 2025 all about

ACT²⁰²⁵
NOW

Scheduled for **May 29-31, 2025**, this landmark gathering aims to unite industry leaders, innovators, and enthusiasts from Albania and the broader Balkan region for an unparalleled experience in networking, knowledge sharing, and recognition of excellence.

Promote regional cooperation and tech-driven solutions.

Facilitate knowledge exchange between global tech leaders and regional talent.

This platform will serve ACTI's network of 234 members, including startups, software development companies, and tech infrastructure firms.

Highlight and reward innovative solutions addressing societal challenges.

ACT²⁰²⁵
NOW

At the Albanian Council for Technology and Innovation, we are dedicated to shaping Albania's digital future. As a driving force behind technological advancement, we foster an innovative ecosystem where entrepreneurship, research, and emerging technologies thrive.

As part of its structure, ACTI is composed of five specialized committees – Cybersecurity, Technology & Innovation, Local & Global Policy, Education & Development, and Diaspora.

These committees are the engine of our mission, each dedicated to guiding progress in their domain.
